

**Valley United Soccer Club**  
**2020-21 Winter Community Programs**

**Phase 2 – Overview**

Valley United will be offering a Phase 2 community-based program to finish off the 2020-21 Winter. It will consist of a Skills Centre Program for ages U-7, U-9 and U-11 and a Youth League Program for boys and girls divisions at the U-15 and U-19 levels. Both programs will consist of six weekly sessions/games beginning the weekend of March 6-7 and ending April 18. There will be no sessions or games on Easter weekend (Apr. 3-4).

Fees for both programs will be \$70 per player.

Specific program details are as follow.

-----

**Skills Centre**

**Windsor Program.** The Windsor program will be for **U-9 (2012, 2013, 2014)** and **U-11 (2010, 2011)**. Sessions will be Sunday mornings from 9-10am beginning March 7. The sessions will involve skill development mixed with small-sided games.

**Kentville Program.**

**U-7 (2014 and 2015)** – This is a parent and player program. One (and only one) parent or helper is required to be on the turf with their child for this program. Some activities will be child versus parent and sometimes the parents are human sidelines to help players realize boundaries. Sessions at this age level are from noon to 1pm, beginning March 7.

**U-9 (2012 and 2013)** – The sessions for this age group will be on Sundays from 1-2 pm beginning on March 7. Sessions will be a mix of skill development and game understanding in small-sided games.

**U-11 (2010 and 2011)** – The sessions for this age group will be on Sundays from 2-3 pm beginning on March 7. Sessions will be a mix of skill development and game understanding in small-sided games.

At this time due to SNS recommendations and VU/facility restrictions, spectators are still not being permitted to attend and view sessions. With the exception of the U-7 program which requires a parent, only players and team staff will be permitted inside the facilities.

Assistant coaches and managers to look after COVID screening and attendance-taking are needed for these programs. If you are interested in either of these roles, please contact Angela Morrison at [angemorrison@hotmail.com](mailto:angemorrison@hotmail.com)

Players who are currently registered with the Valley United SNS Skills program (weekly training and weekend games) but would also like to register for this community program are welcome to do so. As the community program runs only on Sundays, there is no conflict.

Registration link for this community program is [https://valleyunited.demosphere-secure.com/\\_registration](https://valleyunited.demosphere-secure.com/_registration)

-----

**Community Youth House League**

It is Valley United's intent to run a 6 week house league at the U-15 (2006-2009) and U-19 (2002-2005) age levels for both boys and girls. Players who are currently registered for Valley United performance teams and are playing in the SNS league are not eligible to register for this community league. As a result we realize that there may not be sufficient numbers to run some of these divisions.

To determine if there will be, a pre-registration document has been set up. If you are eligible and interested in playing in this Phase 2 community league, please register on this form by Friday, Feb. 26.

The link to do this is <https://forms.gle/kbiFngLDPJS6VbCC8>

The numbers at that time will be used to decide which divisions will and will not happen. For the ones that will, a formal registration will be set up and more detailed information sent out.

If you are interested in playing, please make sure to pre-register by Friday.

Please note that for the divisions that are a go, all games will be played on Saturday afternoons (4pm on) and Sunday mornings. Slight possibility of Friday evenings.
